Loan Advising Workshops

Spring 2018

**Del Mar College is extremely concerned about our students
having a high loan debt after graduation!**

ALL students interested in borrowing a student loan **MUST** attend one of the Loan Advising Workshops before receiving a loan disbursement!! This workshop is required of all borrowers unless you already attended previously. **NO EXCEPTIONS!!!** Students may attend the workshop at any time; however, you must attend within TWO WEEKS of being offered a student loan.

Students in the following categories are required to submit a loan appeal request before being considered for loans. Submitting the loan appeal request does not guarantee that you will be approved for a student loan.

- If you owe more than \$17,500 in previous student loans (regardless of where you borrowed it from)
- If you have defaulted on a previous student loan before (regardless of where you borrowed it from)
- If you are requesting additional unsubsidized loan funds in excess of \$1,000 per semester

In addition, student loan borrowers will be required to complete online Loan Entrance Counseling and a Master Promissory Note (MPN) at [The Federal Student Aid's Website](#). **AFTER** accepting a loan award online through Web DMC. Please note that you only have **TWO WEEKS** to complete all loan requirements once being offered a student loan. If all three steps are not completed within TWO WEEKS, your loan will be cancelled you may not have the option to reinstate.
