

## Emergency Assistance Application

This application can be used for either Emergency Scholarships or Emergency Loans. Emergency Scholarships do not have to be repaid. Students can only receive one Emergency Scholarship award during their education at Del Mar College. Students may receive multiple Emergency Loans as long as all previous loans have been repaid. These funds are short-term, no-cost loans and must be repaid by the end of the semester in which they were awarded unless special arrangements have been made with the Foundation Office.

Emergency Assistance is for students who experience an unexpected and unforeseen circumstance which jeopardizes their ability to pay for their education. Awards are generally limited to a maximum of \$750 for full time students and \$400 for part time students. Priority is given to students who have compelling emergencies, have exhibited due diligence in planning and financing their education up to this emergency, have exhibited due diligence in exploring funding options, and have demonstrated commitment toward their academic pursuit as evidenced through GPA performance. Students who have exceeded their Financial Aid maximum allotment will be considered only under compelling extenuating circumstances. Additional consideration will be given to those students whose demonstrated need will help them in the completion of their academic program. Emergency funds are limited and availability varies from semester to semester. Financial Aid funds cannot be duplicated through emergency assistance.

Processing begins when the complete application packet has been submitted to the Office of Development/Foundation, DMC Center for Economic Development, Room 133, 3209 S. Staples (S. Staples and Kostoryz). For the status of your application, contact the DMC Foundation Office at 361-698-1317.
