

Supporting Those

Who Serve

Corpus Christi, Texas

We, the leadership of Del Mar College, are committed to

- Serving as a designated Scholastic Opportunity College Consortium member to offer transfer of credit, reduced residency requirements and credit awards for military training and experience when consistent with curriculum requirements
- Waiving of non-resident tuition and fees for active-duty service members and their families
- Offering individual support through our Student Veterans Center
- Ensuring that faculty and staff are military- and veteran-friendly and will work with students individually to ensure success.

Therefore, be it resolved that we support the implementation of this Military Community Covenant.

Chair, Del Mar College Board of Regents

President of Del Mar College

President, Del Mar College Foundation, Inc.

Coordinator, College Veterans Center
